

e-BENEFITS

e-Benefits is an online resource for veterans and active service members to find benefits information. Visit the homepage here: <https://www.ebenefits.va.gov/ebenefits-portal/ebenefits.portal>

At the top of the page there should be a link among the toolbar items labeled “Access my Documents.” Click this link.

From here, in order to access and request documents [DD14, Verification of Service Connected Disability, etc.], look for the subsection [mid page] marked “Log in or Register for e-Benefits” and click on the button marked “Register” to the right. You will be presented with several options, select the last one marked:

I have none of the above, but I am registered in the Defense Enrollment Eligibility Reporting System (DEERS).

From here follow the registration process and access your documents. Some documents are available instantly, while others require a waiting period of 24-72 hours [like a copy of original DD214].
